TRAIL SAFETY

The Hatfield-McCoy Trails provide users with a safe, legal, and managed place to ride. Trails are developed with the Nick J. Rahall, II Appalachian Transportation Institute (RTI) at Marshall University to meet the highest standards.

Our Trail Rangers are graduates of the West Virginia State Police Academy and are State Law Enforcement Officers. They patrol each system and enforce all safety laws and policies. Our staff performs daily maintenance to ensure the quality of the trails and land.

All trails are professionally mapped using Geographic Information System (GIS) technology and are clearly marked by difficulty level (*see Difficulty Ratings, page 9*). Up-to-date trail maps are available at each trailhead to alert riders of any changes in the trail system.

Guided tour services are licensed by the Hatfield-McCoy Regional Recreation Authority. Ask your guide if they are licensed, or call our offices at 1-800-592-2217 to find out.

RIDER SAFETY CHECKLIST

- ☐ Follow all Trail Rules (pages 8–9).
- ☐ Check and test your vehicle before riding.
- ☐ Always ride with someone else.
- ☐ Keep a safe riding distance from others.
- ☐ Be mindful of the weather; dress appropriately.

“THE HATFIELD-MCCOY TRAILS ARE PROBABLY THE BEST KNOWN AND EASIEST TO MANAGE BECAUSE THEY ARE MARKED SO WELL.”

Russ Ehnes, Executive Director of the National Off-Highway Vehicle Conservation Council
