

Machine Rentals!

Have you been wanting to experience the Hatfield-McCoy Trails, but don't have your own machine?

No worries! There are several machine rental companies that cater to the Hatfield-McCoy Trails. Rental machines are available through private companies that advertise on our website.

How do you book a machine rental? Simply contact the machine rental company directly to reserve a machine! Your Hatfield-McCoy Trails trail permit can be purchased directly from any of these rental companies. Need lodging as well? Lodging may be available onsite at some of the machine rental companies or close by within the ATV-friendly communities!

To visit the machine rental companies, please click this link!
