

Trail Permit 101

Each person, drivers AND passengers, must have their own valid Hatfield-McCoy Trails permit to access the property. The trail permits are valid from the time of purchase until December 31st of that year. Trail permits are to be placed directly to the individual's helmet, on the lefthand side below the goggle line. HMT Trail Permits give you access to all 10 trail systems, over 1,000 miles of trails. You do not need a different permit for each trail system.

Our WV Resident permits are \$26.50/person and the Non-Resident permits are \$50.00/person. We only offer annual permits that are valid from the time of purchase until December 31st of that year.

Hatfield-McCoy Trails permits can be purchased at any Hatfield-McCoy Trailhead facility: Bearwallow, Buffalo Mountain, Cabwaylingo, Devil Anse, Ivy Branch, Pinnacle Creek, Pocahontas, Rockhouse, Warrior; Hatfield-McCoy Trails Welcome Center and Country Roads Visitor Center; or at one of over 180 authorized HMT permit vendor locations. Trail Permits are typically available during the businesses' operating hours, which vary from each location. Please contact the business prior to purchasing the permit to guarantee availability and hours of operation. Please note that permits may or may not be available at these facilities depending on their permit supply.

We offer one and only discount on our trail permits: **WV Resident or Military Option.**

West Virginia Resident Option:

Individuals that are residents of West Virginia, with proof of a WV driver's license or WV state issued ID, may purchase a WV Resident permit.

Military Option:

Individuals that are currently serving or have previously served in the United States Military are eligible to purchase a WV Resident Permit, regardless of their residency. This Military option is for the cardholder only.

Unfortunately, we do not replace lost, stolen, misplaced permits. You will have to purchase another permit.

Please review our Rules and Regulations prior to purchasing your trail permit!
